

CITY OF NEWPORT BEACH

Seminar with Dr. S. K. Ghosh

**October 7, 2015 - 12:30 p.m. - 5:00 p.m.
Civic Center Community Room - 100 Civic Center Drive**

Dear Design Professional:

We are pleased to invite you to a public seminar offered by Dr. S. K. Ghosh on:

- ***Design of Concrete Anchors for Seismic Forces***
- ***Simplified Wind Design***

Dr. S. K. Ghosh is well-known internationally for his work in earthquake engineering. He has influenced seismic design provisions in the United States for many years by serving on, or chairing numerous technical committees and advisory panels. He specializes in the analysis and design of reinforced and pre-stressed concrete structures, which include wind and earthquake resistant design. He is a member of ACI Committee 318, Standard Building Code Committee, and the ASCE 7 Standard Committee. He is also a former member of the Boards of Directors of the Building Seismic Safety Council (BSSC), the American Concrete Institute (ACI), and the Earthquake Engineering Research Institute (EERI). Dr. Ghosh has many publications in the area of structural design. He has also investigated and reported on structural performance in recent earthquakes.

In addition, City staff will present the following topics prior to Dr. Ghosh's seminar:

- ***New iPermits – Obtaining simple permits online***
- ***New Plan Review Options – Using outside consultants for plan review***

SEMINAR DATE:	Wednesday, October 7, 2015
LOCATION:	Civic Center Community Room (adjacent to the Civic Center Council Chambers) 100 Civic Center Drive, Newport Beach
TIME:	12:30 p.m. to 5:00 p.m.

Please RSVP if you will be attending the seminar to Debi Schank at: dschank@newportbeachca.gov or (949) 644-3284.

Regards,

Seimone Jurjis, PE, CBO
Assistant Community Development Director | Chief Building Official
